You may have received a letter last July or August about the theft of personal and financial information by an employee at Certegy Check Services, Inc. A settlement has now been reached with Certegy and Fidelity National Information Services, Inc. about that theft.

You are included in the settlement and you have legal rights and options, such as submitting a claim for benefits, excluding yourself from, or objecting to, the settlement.

Settlement Benefits: Certegy's records show that you are eligible for one year of credit monitoring plus \$10,000 in identity theft insurance; two years of bank monitoring performed by Certegy; and reimbursement

for identity theft (up to \$20,000) and certain out-of-pocket expenses.

To get benefits you need to submit a claim form. Get claim forms at www.DataSettlement.com or by calling 1-877-580-9770. The earliest deadline to send in a claim form is **July 31, 2008**.

Your Other Options: If you do not want to be legally bound by the settlement, you must exclude yourself by **August 1, 2008**. If you stay in the Class, you may object to it by **August 1, 2008**. The Court will hold a hearing on **August 22, 2008**, to consider whether to approve the settlement. More information is available at www.DataSettlement.com or by calling 1-877-580-9770.
